

# Luxury Feline Boarding

at Cats Exclusively Veterinary Hospital

We have boarding for your special cat in a relaxed, comfortable environment with their needs first and foremost in our minds.

Our boarding suite has multi-level condos with natural lighting, the comforts of home and independent ventilation.

You can feel good knowing your feline friend is safe and well taken care of while you are away. If your cat is on medication, our trained staff is on hand to make sure they are properly dosed, and you have the additional comfort of knowing if an emergency arises, the doctors are here to make sure everything will be okay.

**Please call us for an estimate.**

**Prices vary based on the type of condo you choose and any extra needs of the patient. Prices start at \$24/night**
