In today's busy world, it is easy to overlook our cat's health needs. Our Wellness Plans are budgeting tools that are affordable and were created by us for you! By emphasizing preventative care, they lessen the chance of undetected problems developing into more serious and more expensive health concerns.

At Cats Exclusively Veterinary Hospital, our mission is to provide your cat with the best possible care at every stage of life.

Our Wellness Plans make preventative care easy and affordable. Each plan includes medical services with an emphasis on preventative care vital to your cat's long-term health. Our digital medical records allow us to keep track of your cat's medical needs and to notify you when examinations and services are due.

Fees and Payment

Membership fees are listed under the various Wellness Plans.

A one-time enrollment fee of \$25 and the first installment will be due at the initial enrollment.

The member will pay in monthly installments.

The monthly installment will be deducted from the member's bank account or automatically charged to their credit card.

An overdraft and reprocessing fee of \$30 will be charged for any rejected charges (insufficient funds, expired credit card, or any other reason a payment is unable to be processed). The member is responsible for notifying Cats Exclusively if there is a change in the designated bank account or credit card.

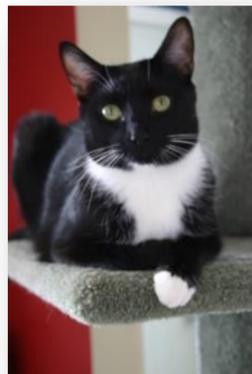

The Plan is not transferable and applies only to the patient identified at the time of enrollment.

Frequently asked questions

Q. Do Wellness Plans cover illness or injury?

A. No. Wellness Plans are not insurance. Wellness Plans allow you to build your cat's healthcare needs into your annual budget. By detecting problems at an early stage, we can lessen the chances for these problems to develop into more serious and more expensive problems. We can provide you with detailed information regarding pet health insurance and do recommend you look into this.

Q. Can I cancel my Wellness Plan Membership?

A. Yes. The enrollment fee will not be refunded but you will be refunded for any payments you have made less the costs of any services already received.

Q. How can I enroll?

A. Enrollment is fast and easy.

Complete the enrollment form in this brochure or on our website and submit it to one of our team members along with the enrollment fee. All that is left is the peace of mind knowing that your cat's healthcare needs have been satisfied!

Q. Why do I need a Wellness Plan?

A. There are many reasons and here are just a few:

- *To keep your cat free from preventable infectious and contagious diseases
- *To detect abnormalities early enough to treat as successfully and inexpensively as possible
- *To provide a budgeting tool that will allow you to keep your cat healthier longer

Q. What services are not included in Wellness Plan prices?

A. Wellness Plans do not include the following:

- *Feline leukemia vaccines
- *Additional diagnostics deemed necessary by your doctor
- *Additional medications deemed necessary by your doctor
- *Extra costs for cats spayed at over 6 months of age
- *Tooth extractions, gum therapy, and additional medications required during dental procedures
- *Surgical procedures other than the spay/neuter Wellness Package
- *Flea/parasite/heartworm preventatives

Certain other restrictions may apply. It is best to obtain a written estimate before your cat receives any treatment.

For any items not covered in the plan, payment is due at the time services are rendered.
